

National Verifier –  
**Service Provider** Portal  
vs **Customer** Portal

**Agents** are  
considered –  
**Service Providers**

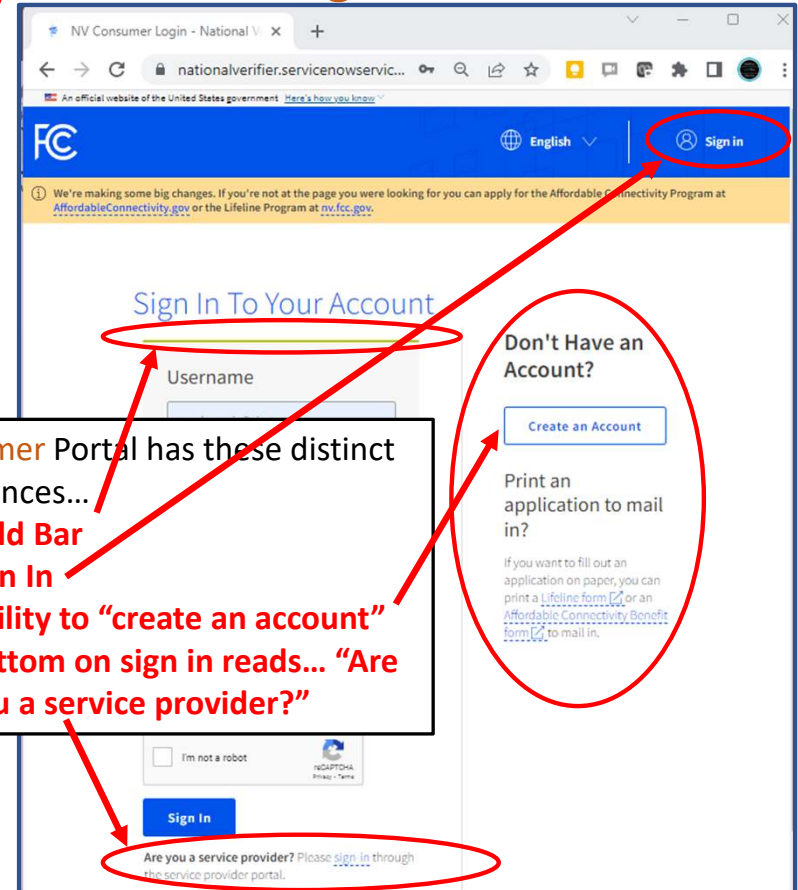

These Two  
Screenshots  
Demonstrate the  
Difference  
between the  
**Service Provider**  
Portal vs  
**Customer** Portal

If you click "**Customer Sign In**" or TIME Out from the Service Provider Site, it will take you to this URL/Website.  
If you attempt to sign into customer URL/Website you will eventually be Locked Out of the Service Provider Portal and must get your National Verifier Password Reset.

## Service Provider Sign In Portal Screen

## Customer Sign In Portal Screen

Customer Portal has these distinct differences...

- **Gold Bar**
- **Sign In**
- **Ability to "create an account"**
- **Bottom on sign in reads... "Are you a service provider?"**
